

Indisputably, Bonnie Reese has been extremely successful throughout her career in public office. However, her efforts to support and contribute to her community have extended beyond her political service. Aside from her public service, Bonnie is also known for her skills as an organist. Many people in the community know her from her service to her church, the Tefft United Methodist Church, where she serves not only as the church's organist, but also as its choir director.

When not engaged within the community, Bonnie spends her spare time with those closest to her, her family. A loving wife, mother, grandmother, and great-grandmother, Bonnie's commitment to her community is surpassed only by her love for her family. Bonnie has been married to her husband, Roy, for 48 years. She and Roy, a retiree of U.S. Steel after 40 years of service, have four sons: Daniel, Michael, Richard, and Douglas. Roy and Bonnie are proud grandparents of 14, and they also have one great-grandchild.

Mr. Speaker, Bonnie Reese has given her time and efforts selflessly to the people of Jasper County throughout her years of service. At this time, I ask that you and all of my distinguished colleagues join me in commending her for her lifetime of service and dedication.

#### RECOGNIZING THE ACHIEVEMENTS OF MR. FRED A. CURLS

##### HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 6, 2006*

Mr. CLEAVER. Mr. Speaker, I proudly rise today in recognition of the achievements of Mr. Fred Curls, a pioneer for civil and political rights, and a resident of the Fifth District of Missouri, which I am honored to represent. This week, Mr. Curls is to be inducted into the Missouri Walk of Fame during a reception as part of the Congressional Black Caucus Foundation's Annual Legislative Conference, an event held to honor the achievements of African-Americans who have made significant contributions to Missouri. He is one of the original Founders of Freedom Incorporated, an African-American political organization which at one time could generate nearly 70,000 votes. Freedom Inc. was and has been very influential in delivering votes for a candidate or a cause.

The organization has been at the forefront in serving as a catalyst for change in civil rights, public accommodations, and the election of candidates at all levels of government. Its office has been visited by City Councilpersons, Mayors, Governors, Congresspersons, Senators, and persons with Presidential aspirations. For nearly forty-five years, Mr. Curls has dedicated his life to the Greater Kansas City community, promoting and improving political empowerment and civil rights of people of color. His son, State Senator Phil B. Curls, Sr. was the President of Freedom Inc. when I was Chairman. It was a period when Freedom Inc. was recognized as one of the most potent political organizations in the United States and brought about the election of the first African-American Congressman from the Fifth District of Missouri, U.S. Representative Alan Wheat.

Since the mid-1950's, Mr. Curls has been involved in real estate sales and appraisals,

most notably in the African American community of Kansas City. He fought against "restrictive covenants" whereby residential homes could not be sold in certain areas to minorities. He was part of a class action lawsuit which resulted in the United States Supreme Court outlawing such covenants.

In all of his activities, he demonstrates his dedication and commitment to the greater good of others. He is actively involved with his high school graduating class, the "Class of 1937," which has been very close to this day. They have started the Lincoln High Alumni Association which gives scholarships to deserving young adults to go to college. He was recently honored by Jackson County, Missouri as one of its "Legacy Awardees" for its 175th anniversary as a political subdivision.

Throughout his life, he has believed in the saying "make it happen." He has put his principles to practice, and the effects of his efforts have "made it happen" throughout the Kansas City metropolitan area.

For those reasons and more, it is indeed an honor and privilege to recognize Mr. Fred Curls at the Missouri Walk of Fame reception, hosted by myself and fellow Missourian, U.S. Representative William Lacy Clay of St. Louis.

Mr. Speaker, just as this body has honored Dr. Martin Luther King as an outspoken pioneer and one of the historians of the civil rights struggle, and has honored Buck O'Neill was one of the historians for those who toiled in the Negro Leagues rather than the Major Leagues, we should now give honor to Fred Curls as one of the historians of Kansas City's African-American political struggle. He was active in promoting equality, elevating African-Americans from a second class citizenship to a first class citizenship to be recognized by all. Whatever we, as African-Americans, may attain in the political arena, Fred Curls, and those who labored to act on our behalf as political pioneers, have helped to change the course of history. In the year that this 109th Congress has approved the extension of the Voting Rights Act, it is with great pride that we honor one of our active, long-time heroes with this Missouri Walk of Fame. Mr. Speaker, please join me in expressing our appreciation to Mr. Fred Curls and his endless commitment to serving the residents of the State of Missouri. He is a true role model not just to the African-American community in Missouri, but to the entire community at large.

#### THE SECOND ANNIVERSARY OF THE BESLAN MASSACRE

##### HON. CHRISTOPHER H. SMITH

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, September 6, 2006*

Mr. SMITH of New Jersey. Mr. Speaker, I rise today to express my sympathy over the terrible tragedy that took place just over two years ago in the southern Russian city of Beslan. This nightmare began on September 1, 2004, the first day of school when over 1000 students, parents, and teachers were forced by terrorists at gunpoint into a gymnasium rigged with explosives. These young students and others were held hostage for three days without access to food or water while the sick and wounded were denied access to medical treatment. In the end, nearly 400 people lost their lives, including 186 children, and over 700 people were wounded in the savage and senseless acts of violence that occurred in Beslan.

Words alone cannot adequately convey the heartache and sorrow over this barbaric act of terrorism. Having an entire Russian school taken hostage by terrorists was shocking. As the world watched, hoping against hope that this would somehow be resolved peacefully, it was horrible to learn on September 3rd that there had been massive loss of innocent lives in the early afternoon of that day.

Mr. Speaker, we continue to grieve for those children and their families and join with other Americans in solidarity with the Russian people on this somber second anniversary of the Beslan massacre.
